This year continues to be a busy year for the Florida Accreditation Office, during the February conference we had eight agencies that were awarded initial accreditation and 22 agencies reaccredited. We will be considering 22 agencies for accreditation status at the June 2015 conference.

The FAO is still working tirelessly with the committee on the re-writing of the manuals. We are working on completing this task by February 2016. We thank you once again for your patience during this process.

We are consistently adding training opportunities to include New Assessor Orientation Training which was offered October 22-23, 2014 at the FDLE Headquarters, as well as Managing the Accreditation Process Training, November 5-6, 2014 at the Tampa Police Department.
